

Mom's Night Out Series Presents:

# Cricut 102 - Fun with Vinyl

A Two Night Event!

Wednesday, May 8 & Wednesday, May 15, 2024

6:30 PM – 8:00 PM

\$65

Join us for Cricut 102, where we will tackle the amazing world of vinyl. At this class, you will learn about different types of vinyl, how to create designs that work well with vinyl, how to transfer and apply your vinyl creations, etc. Plus, you'll create your own vinyl sign (with adhesive vinyl) & pillowcase (with heat transfer vinyl) to take home!

You will need a device, such as a laptop or tablet with Cricut Design Space installed. You will need to be able to bring this with you to this class.

You do NOT need to own a Cricut! We've got one here that you are always welcome to use!

*\* For this class, you will want to have a basic understanding of the Cricut and Cricut Design Space. If you are interested, you may contact Jillian about scheduling a 'Cricut Crash Course'. Jillian will work one on one with you to make sure you've got a solid Cricut foundation. This crash course will last roughly an hour, and cost \$30.*

Space is limited. Sign up today!
